English Bible Translations.

The following list of the different versions of the English Scriptores is activated from the English Scriptores in activated from the English Scriptores in activated from the English Scriptores in activated from the English Scriptores Minim.—This was the first translation made into the language. It was translated by John Wickliffe, about the year 1536, but saver printed, though there are manuscript coples of it in several of the public libraries.

Tysnate.'s Binux.—The translation by William Tynade, assisted by Miles Corrotaine, was the first printed Bible in the English language. The New Testamusit was published in 1526. It was revised and republished in 1526. It was revised to the published in 1526.

Marriew's Brain.-While Tyndale was pre-Martune's Bible.—While Tyndale was pre-paring a second edition of his Bible, he was taken up and burnt fer berezy at Flanders. On his death, Coverdale and John Rodgers revised it and Sided a translation to the Apocrypha. It was dedicated to Henry VIII, in 1837, and was printed at Hamburg under the borrowed name of Thomas Maithaw, whence it was called Mathow's Bible.

CRANHER'S BIRLE. - This was the first Bible Channan's Binux.—This was the first Bible printed by sathority in England, and publicly set up in the churches. It was 3'public's version, revised by Coverdate and examined by Cranwer, who added a pre-net to it, whence it was called Cranwer's Bible. It was printed by Crafton, one of the largest volumes published in 1549. After being adopted, suppressed and restored under successive reigns, a new celliton was brought out in 1562.

THE BISHOP'S BISHE—Archbishop Parker engaged bishops and other loarned men to bring out a new translation. They did so in 1568, in large lollo. It made what was afterwards called the Great English Bible, and commonly called the Bishop's Bible. In 1569 it was published in octavo, in small but fine black letter. In it the chapters were divided into verses, but without any breaks for them. my breaks for them.

MATTHEW PARKER'S BIRLE.—The Bishop's

Bible underwent some corrections, and was rrinted in large folio in 1572, and called Matthew Parker's Bible. This version was used in the

The remaining forty-seven were ranged under six divisions, and had different parts of the Bible assigned to those divisions. They entered upon their task in 1607. After some three or four years of diligent labor the whole was completed. This version was generally adopted, and other ver ions fell into disuse. It has continued in use for near-ly two hundred verse. ly two hundred years.

Difficulty in New York.

At Poughkeepais, recently, Judge Emott issued a writ of habour corpus commanding deseph Fisher, on Brooklyp, to bring before him his daughter Anna Maria, and show cause, if any, why she should not be given over to the eare of her husband, a Mr. Greamer, of Poughkeepais. It appears that about a month since, Mr. Pisher went out on one of his periodical gunning excursions, and at the solicitation of his daughter, took her with him. The old gentleman hearing of fine sport in the neighborhood of Poughkeepais, took that direction. Selecting a hotel at which to leave his daughter, he found one kept by Mr. Greamer, a young man in moderate otherumstances. While the daughter was at the hotel, and the old gentle man was in the woods pursuing game, the young man, Greamer, fell in love with Miss Fisher.
